Accommodation at Crystal Springs Mountain Lodge in a Unit on a Bed & Breakfast basis for 2 nights.

Rooms: Unit x 1

**Includes:**

Bed and breakfast.

---

Crystal Springs Mountain Lodge is a four-star self-catering resort situated at the top of Robber's Pass, on the historic old road to Pilgrim's Rest; a picturesque resort situated within 5 000 hectares of pristine countryside. Beautiful gardens combine with exquisite natural scenery to create a haven incorporating spectacular cliffs and gorges, forests, sweeping views, murmuring streams, plunging waterfalls and cool natural pools. Birdlife is plentiful and wild animals such as zebra, wildebeest, giraffe, antelope and leopard inhabit the nature reserve. The lodge architecture and face-brick and thatch structures sit well within the natural environment. Facilities abound and cater for the whole family and many activities centre around the great outdoors. Crystal Springs is conveniently situated for easy access to many of Mpumalanga's most amazing tourist attractions. From the historic, quaint town of Pilgrim's Rest to nearby Sabie and Graskop; to the spectacular Blyde River Canyon, Gods Window and the interesting rock formations of the Bourke's Luck Potholes. The world-famous Kruger National Park - home to the Big Five – is only an hour's drive from the resort.

Activity: Standard Tour (2hrs) at the Hoedspruit Endangered Species Centre.

Accommodation at Satara Rest Camp in a Campsite CK6P (with power-point) on a Self-catering basis for 2 nights.

Rooms: Campsite CK6P (with power-point) x 1

**Includes:**

Campsite with power-point only

---

Satara is a busy camp, and not without reason. It is situated in an excellent game viewing area, with the bush relatively open and the animals plentiful and diverse. The camp itself has a rustic charm, with the bulk of the accommodation set out in a series of circles. The camp is well wooded and the daytime bird-life is prolific. Satara is regarded as one of the best game viewing areas in the park and is particularly noted for cats, with lion, leopard and cheetah being recorded regularly. Satara, like most camps, has been artificially well wooded. The surrounding vegetation is knob thorn /marula savannah on basalt soils. A few kilometers west there is an intrusion of ecco shales soil which hosts very sweet grass often overgrazed. This intrusion also hosts Delagoa thorn thickets. To the east, the N'wanetsi region lies in Lebombo Mountain Bushveld on rhyolite soils. Tree euphorbia and red bushwillow are prevalent.
